About Paper Submission

■ Paper Types

- All papers should be submitted electronically in PDF versions of your paper through the [Paper Submission System](#).
- The IIHMSP 2025 accepts two types of submissions ([regular](#) and [one-page](#)) for review. These types of papers need to be submitted in Springer conference paper format, as shown in IIHMSP 2025 Proceeding Templates below, and should be written in English. And they will be included in the conference proceeding.
- Manuscript should be unpublished work, must include enough detail about the goal, the problem to solve, proposed methods and main results.
